# **Box type Pin Header to Prevent Mis-insertion**

#### **HIF3F Series**

### Features

#### 1. Prevent to Reverse Insertion

The pin header to prevent reverse insertion is equipped with contact protective walls to the HIF3E series.

2. Compatibility

This pin header is compatible with HIF3B series.

#### Applications

Computers, terminal equipment, PPC, various kinds of electronic equipment, office automation machines, etc.

Note 1: Includes temperature rise caused by current flow.

Note 2: The term "storage" refers to products stored for long period of time prior to mounting and use. Operating Temperature Range and Humidity range covers non conducting condition of installed connectors in storage, shipment or during transportation. Note 3: Information contained in this catalog represents general requirements for this Series. Contact us for the drawings and
